

## The Benefits Online Police reports

1. Filing online reports is convenient. You do not have to wait for a deputy to be available or take time away from work to meet one.
2. Online filing is easy, safe and secure.
3. All law enforcement agencies need an accurate gauge of all crime in their area, big or small. Often reports like this lead to crime trends, which can be tracked and resolved.
4. Online reporting allows patrol deputies to be available for emergencies and other high-priority situations. It also gives them more time for proactive police work.
5. Statistics will more accurately reflect activity and trends in our area.

## The Benefits Online Police reports

Welcome to the Santa Barbara County Sheriff's Office Coplogic Citizen's Online reporting system. Everyday more than 700 regular employees and more than 200 volunteers provide essential public safety services in a wide variety of disciplines including front line law enforcement, custody, protection in our courts, coroner, aviation investigations, and administrative support.

The dedicated men and women who perform these roles are members of one dedicated team that has been, as our motto says, "Keeping the Peace Since 1850."

It is my privilege and honor to serve as your Sheriff. On behalf of all the members of this agency, I want to thank the citizens of Santa Barbara County for their ongoing support.

Respectfully,

**BILL BROWN, Sheriff-Coroner**
