**Date:** October 13, 2016  
**To:** All Personnel  
**From:** Chief Gross  
**Subject:** Authorized Duty Weapons - Addendum

**Sheriff's Bulletin:** 16-21.1

---

This is to clarify information regarding Sheriff's Bulletin 16-21 "Authorized Duty Weapons."

Nothing in Sheriff's Bulletin 16-21 was meant to indicate that the HK USP firearm could not be used as an optional duty firearm. The bulletin was only meant to mean that the HK USP firearm would not be the issued firearm for the agency after the transition training period.
