Subject: Lexipol Update, Section 1004.3.2

Sheriff's Bulletin: 19-1

This numbered bulletin is being distributed to update our agency policy relating to involuntary transfers to Court Services/Public Safety Dispatch/Custody Operations.

After a recent meeting with the DSA, Lexipol § 1004.3.2 (2) criteria will be changed from one (1) year minimum to two (2) years minimum, to align with the Sheriff's Office and the Deputy Sheriffs Association policies. Effective immediately, the policy will read:

2. The employee must have a minimum of two (2) years of continuous service as a full-time peace officer with any law enforcement agency and completed their probationary period with the Santa Barbara County Sheriff's Office. An employee who meets these minimum requirements and is closest to the minimum requirements will be the first employee transferred.

A handwritten signature in blue ink, appearing to read "Sol Linver", is written over the typed name and title.
