I acknowledge that the information I have provided is true and accurate to the best of my knowledge. All information provided has been given voluntarily, and I consent to the collection, use and disclosure of such information for the purposes of Project Lifesaver. My Power of Attorney and/or Power of Personal Care is attached, if needed.

THEREFORE, IN CONSIDERATION of the mutual promises and obligations contained herein, the sufficiency of which is acknowledged, the parties agree as follows, each to their respective obligations:

1. *I understand that when I enroll an Applicant in Project Lifesaver, that it does not replace the need for constant supervised care of the person. I am, and remain, primarily responsible for supervised care and take full responsibility of protecting this person from wandering. I also understand that I, or a responsible adult, must be present with the Applicant at all times.*
2. I understand that Project Lifesaver equipment is designed to be an additional aid to help locate a missing person and that there is no warranty, representation, or guarantee that a person will be found because they are wearing a Project Lifesaver bracelet. Project Lifesaver equipment is designed to provide law enforcement personnel with an additional technology in attempting to locate the Applicant.
3. In order for Project Lifesaver to work, I have a responsibility to obey the instructions of the Program, follow all training, and make sure that the person that I enroll is wearing the Project Lifesaver transmitter bracelet. If it has been removed or is defective, I will call the Santa Barbara Sheriff's Office immediately.
4. When I notice that the Applicant enrolled has wandered off, I must immediately call the Santa Barbara Sheriff's Emergency Communications Center and report the Applicant as a missing person who is registered on the Project Lifesaver Program. Specially trained and equipped Santa Barbara Sheriff's Office personnel will respond and conduct a search for the Applicant. I understand and acknowledge that the Project Lifesaver device cannot predict or report that the Applicant has wandered off. It is used solely as an aid for emergency personnel when notified the Applicant is missing.
